#### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North District Middle School strives to uphold its mission—to prepare students for secondary education by enhancing individual achievement in a safe, learning environment. It is our focus to successfully meet the needs of all students. We realize that administrators, faculty, staff, and students and all community stakeholders must all work together to meet that challenge.

One goal of NDMS is to increase student performance as measured by PACT. We are dedicated to the task. That is our motto. We want our students to soar above the average. We will teach all of our students at or above grade level every day. We aim to effectively use all the programs and materials the district and state provide. Among these are EDI, MAPS, Flanigin materials, PACT prep materials, academic assistance plans, textbooks, teacher-made materials and resources, after-school programs, remediation, and enrichment.

We firmly believe that no child should be left behind, and we endeavor to insure that the whole child moves forward. Our students continue to excel in academics. We boast TIP Scholars, Junior Scholars and a USAA National Award winner in Mathematics. Our band, athletic department, and art department proudly display many successes, trophies and awards won in local, state, and regional competitions.

Our community, parents, Parent Action Committee, the district, and the state all help make NDMS a child-centered, dynamic, and focused learning community.
